

TEJAS V. PARAB

Technical Project Manager | PMP®, CSM® | Program & Portfolio Management

Mumbai, India • tejasparab31@gmail.com • +91 90291 07931 • [linkedin.com/in/tejasparab](https://www.linkedin.com/in/tejasparab) • teparab.github.io/portfolio

SUMMARY

Project and program manager with nine years delivering technology programs across IT, healthcare, and engineering. Now leading enterprise IT delivery at WebMD, following roles in engineering consulting, AI products, and geospatial mapping. Comfortable across US and UK teams and Fortune 500 clients, and equally at home in strategy and hands-on delivery - from automating workflows and scaling Agile teams to advising leadership on where to invest.

SKILLS

Program & Delivery: Portfolio and program management, program governance, risk and change management, stakeholder management (including C-suite)

Agile & Ways of Working: Agile coaching, scaling Scrum, digital transformation, process automation (RPA, Revit API)

Tools & Platforms: JIRA, Confluence, Azure DevOps, AWS, Azure, Power BI, wireframing, CMMI L3 documentation

Leadership: Executive advisory, corporate training, mentoring, cross-border team leadership, public speaking

EXPERIENCE

Technical Project Manager

Aug 2025 – Present

WebMD | Mumbai, India | Full-Time

- Manage enterprise IT programs across healthcare and digital products, from planning through to deployment.
- Work with engineering, product, and business teams to keep delivery on track and support adoption of new solutions.
- Tightened Agile and delivery practices, which improved on-time delivery and made timelines more predictable.

Senior Project Manager, Global Project Delivery

Apr 2022 – Aug 2025

Burns & McDonnell India | Mumbai, India | Full-Time

- Managed a \$582K global technology portfolio (Q1 2025) for US and UK stakeholders, covering data governance, AI agents, and computational design automation.
- Saved over \$2.1M and cut engineering lead times by 25% by automating manual design and workflow processes.
- Grew the Agile delivery team from 2 to 28 people and lifted sprint velocity by 35% as the practice scaled.
- Advised senior leadership (CEO, CFO, COO) on technology investment roadmaps worth more than \$20M.
- Received the MacRecognition Award for portfolio delivery and stakeholder management.

IT Project Manager, Product Delivery

Apr 2022 – Dec 2022

Cogno.AI (acquired by Exotel) | Mumbai, India | Full-Time

- Delivered AI-powered NLP chatbots for major banks including HDFC, SBI, Kotak, and ICICI, handling 100K+ queries a month at 95% accuracy.
- Oversaw integration with core banking systems to improve the customer experience and adoption.
- Cut escalation cycles by 30% through clearer reporting and governance.

Associate Project Manager, CRM Product Delivery

Sep 2021 – Apr 2022

Tebillion Systems Pvt. Ltd. | Mumbai, India | Contract

- Managed key client accounts, including Marketcast (UK) and the British Association, and drove CRM adoption.
- Improved client retention through structured onboarding, training, and product enhancements.
- Kept projects on schedule using clear calendars and milestone tracking.

Project Coordinator & Data Specialist, GIS Mapping

Jun 2018 – Sep 2021

HERE Technologies | Navi Mumbai, India | Full-Time

- Coordinated GIS mapping programs for global clients including Audi, BMW, Toyota, and Mastercard.
- Automated parts of the QA process, raising productivity by 20% and speeding up turnaround.
- Ran root-cause analysis and incident management to reduce repeat escalations.
- Mentored teammates on GIS tools and built stronger knowledge-sharing across the team.
